

Digital Marketing Capstone Project: Adidas

Objective: To launch new football shoes via YouTube, expand global brand awareness on social media, and drive sales through targeted email campaigns.

Task 1: YouTube Marketing

For the launch of our new football shoes, I will implement a video ad sequence to move our audience through the funnel quickly.

- **Campaign Objective:** Product and Brand Consideration.
- **Targeting Methods:**
 - **Interest/Topics:** I will target users interested in "Football," "Soccer," and "Sports Equipment".
 - **Placements:** I would place ads on specific football review channels and sports news videos.
- **Ad Sequence Strategy:**
 - **Bumper Ads (6s):** High-frequency "Unveil" teaser to build massive exposure.
 - **Skippable In-Stream Ads:** Detailed product feature showcases for users who engaged with the teaser.
 - **Remarketing:** I will retarget viewers who watched the full video with a direct call to action to visit the store.

Task 2: Social Media Marketing (Facebook & Instagram)

I will focus on reaching a global audience through storytelling and a structured content calendar to increase engagement and followers.

Content Strategy & Calendar

I will follow a theme of **"Youthful Energy & Performance"** using high-quality visuals and Reels.

Day	Platform	Content Type	Strategy
Monday	Instagram	Reel (Short Video)	Behind-the-scenes footage of the new football shoes in action.
Wednesday	Facebook	Storytelling Post	A "classic reimagined" post focusing on Adidas' heritage in Bavarian design.
Friday	IG & FB	User-Generated Content	Reposting athletes using Adidas gear to build community trust.

Task 3: Email Marketing

I will design a promotional campaign focusing on two categories: **"Gifts \$50 & Under"** and **"Premium Footwear (\$100 & Above)"**.

Email Campaign Plan

- Step 1: Segmentation:** I will segment the database into "Budget-conscious gifters" and "Performance athletes".
- Step 2: Subject Lines:**
 - Segment A:* "Great gift ideas for everyone—under \$50! 🎁"
 - Segment B:* "Elevate your game with shoes guaranteed to please. ⚽"
- Step 3: Call to Action (CTA):** I will place a prominent **"SHOP NOW"** button to drive traffic directly to the category pages.
